

Dear Parents and Carers,

Fantastic projects last half term which the children have been really proud to share with their classes. This term your child will need to choose **two more projects** from different sections. The final date to hand in the project work is **MONDAY 19<sup>th</sup> February 2018**.

The children will have another celebration day when they share the projects they have completed at home with your help. If you have any questions, please ask your child's class teacher.

Thank you  
Year 4 team

## PROJECT 1

- Read a Viking legend (from the library or on the internet). Write a book review about it. Use a template of your own choosing.
- Write a diary entry as a day in the life of a Viking boy or girl. Research first what children did during the day.

## PROJECT 2

- Design, label and then make a Viking brooch or other piece of jewellery.
- Use a Viking design to make a piece of wrapping paper – maybe try making a stamp first and then printing it. Be creative.

## PROJECT 3

- Make a model of one of these;
  - Viking longboat
  - Viking house
  - Viking shield, helmet, sword or other piece of Viking armour.
- Use your moving mechanism skills learnt in school to make a Viking story book with moving parts.

## PROJECT 4

- Research what the Vikings ate and drank and present it as a food and drink poster.
- Do some research about a Viking God and make a booklet telling me us all about them.

## PROJECT 5

- Find out about where the Vikings settled. Present your information in any way you choose.
- Who were the Vikings and why did they invade Britain? Write an oral presentation to present to the class.
