

Dear Parents and Carers,

This term your child will need to choose two projects which are from different sections. The final date to hand in the project work is **Monday 19th February 2018.**

The children will have a celebration day when they share the projects they have completed at home with your help. If you have any questions, please ask your child's class teacher.

Thank you!
The Year 6 Team.

Project Passport

QUENCHING MY THIRST FOR KNOWLEDGE

Mountains, Rivers and Settlements.

PROJECT 1

- Write a fantasy story with a river/mountain as the setting. Who are your main characters? What do they see/feel? Who/what do they meet?
- Write an advert to advertise a new settlement. Why should people live/move here?

Think about what it offers.

PROJECT 2

- Create a replica of David Hockney's landscape – Garrowby Hill.

PROJECT 3

- Create a 3D model of a mountain.
- Create a model of the River Thames.
- Be creative...use different mediums/materials to show the texture of your model.

PROJECT 4

- Research mountains, rivers and settlements.
- Create a powerpoint to present your findings.

PROJECT 5

- Research famous and iconic mountains and rivers: write a fact file to share this knowledge.
- Research different types of settlements – why do people move/live in these places?
