

Dear Parents and Carers,

This term your child will need to choose two projects which are from different sections. The final date to hand in the project work is **Monday 4th June 2018.**

The children will have a celebration day when they share the projects they have completed at home with your help. If you have any questions, please ask your child's class teacher.

Thank you

THE GODOLPHIN JUNIOR ACADEMY

QUENCHING MY THIRST FOR KNOWLEDGE

The Rainforest

PROJECT 1

- Imagine you are a child growing up as part of the Kayapo Tribe. Write a diary entry after your first day out hunting.
- Write an acrostic poem about Rainforests.

PROJECT 2

- Sketch or paint an animal that is found in the Rainforest.
- Create some art patterns of the Kayapo tribe.

PROJECT 3

- Create a 3D model of a rainforest. Include: river, trees, animals you would find in the rainforest.
- Create a labelled diagram of a rainforest.

- Research about the plants and fruits that are found in the Rainforest.
- Choose certain plants and fruits that are found in the Rainforest. Create a digital fact file about them. Use a camera to take pictures of any of these fruits/plants that you may have at home.

PROJECT 5

- Research about two types of rainforest: temperate and tropical. How do they differ? How does temperature impact on Rainforests?
- Write a persuasive information leaflet about rainforest deforestation.
